About

- Founder and owner, Taste Vietnam Group
Ms Vy has over 30 years experience in the kitchen - the first 11 of which were in her parents' restaurant followed later by her own. Over this time, Ms Vy has gathered an unrivalled repertoire of Vietnamese dishes.

Being born and raised in Hoi An - historically, Vietnam's most cosmopolitan merchant city - Ms Vy was also blessed with having parents from the North and South. This allowed Vy to acquire the whole picture of cuisine from the length of the country, which can differ greatly from region to region. This wealth of knowledge and experience enables our Taste Vietnam Group to cater to all guests by offering a variety of dining experiences from fine dining to street food. Each establishment's menu and ambience is designed to reflect a particular dining style.

Being the first and foremost restaurateur in Hoi An, some of the dishes now regarded as Hoi An specialities, were rediscovered and developed by Ms Vy. This has led to Ms Vy being regarded as the foremost authority on Hoi An and Vietnamese cuisines and the go-to person for all things culinary related amongst global media.

Ms Vy carefully selects every menu to showcase Vietnam's and Hoi An's dining cultures - from traditional to modern, North to South, and city to countryside. Alongside the menus, the ambience in each venue is tailored to offer guests a truly immersive experience. To really discover Vietnamese food, we invite you to visit all of our venues. Come Taste Vietnam!
